Our aims

To receive a Young Roots grant, your project must relate to the varied heritage of the United Kingdom and:

- provide new opportunities for a wider range of young people aged 11 to 25 to learn about their own and others' heritage;
- allow young people to lead and take part in creative and engaging activities;
- develop partnerships between youth and heritage organisations; and
- create opportunities to celebrate young people's achievements in the project and share their learning with the wider community.

Your project must also create either:

- new opportunities for young people to volunteer in heritage; or
- new opportunities for young people to gain skills in identifying, recording, interpreting or caring for heritage.

We hold a range of examples of projects we have funded to help you see how other Young Roots projects have met our aims. You can see these on our website or ask your regional or country office.
