

Wales

The Green Valley Conservation and Heritage project

Welcome to the Wales team - since 1994 we have awarded over £460m to more than 3,200 projects in Wales.

From our coastlines and castles, our landscapes, literature and the oldest spoken language in Europe, Wales has an ancient and mythical heritage. It's the land of rolling hillsides; historic ruins; and an industrial heritage that once saw Welsh slate and coal being exported across the world.
